Energy Committee Minutes**

April 12, 2021

A meeting of the Energy Committee was held on April 12, 2021, convened at 4:30p via GoToMeeting. Attending from the Energy Committee were Brian Boyle (Chair), Mark Farber, Bob Higgins-Steele, Nancy Medoff, James Nash, and Todd Schwebel, being all of the Committee.

Minutes of the March 8, 2021 meetings were approved.

DPW. Bob reported that the DPW requests the support of the Energy Committee for the procurement of a new truck to replace two older trucks.

Cape Light Compact. No developments.

CVEC. The Committee's proposal to join CVEC is on the agenda for the April 13 Select Board meeting. Brian and Mark will attend.

Net Zero and Passive House. The Committee again discussed ways to raise the consciousness of local homeowners and builders about net zero and modular homes. Mark will circulate a link to the ASES national solar homes tour.

New Solar System. The Committee remains interested in the opportunity to develop solar on the landfill.

Net Metering Credits. The Committee discussed where we are in the process of selling excess credits.

Cloverleaf. No developments.

Walsh Property. We have submitted to the Walsh Committee facilitator a memo recommending the appointment of an Energy Committee liaison.

EV Charging. Jim reported a conversation with a company that does EV charging stations. Jim will circulate a presentation they provided.

Stretch Code. The Committee discussed the new stretch code in the new climate bill.

Solar Inventory. Brian suggested that the inventory be published on a monthly basis.

Public Comment. No members of the public were present.

The next meeting will be held May 10, 2021, 4:30p. The meeting was adjourned at 5:25p.
