• **Library Program Policy Follow Discussion - Kait Blehm**

- Discussion about request from Darrin that the library inform the Town Administration of Library programming. Kait has tried to contact Darrin. But has had a conversation with ATM Kelly Clark.

Tricia Ford wonders if the report could be a quarterly report, instead of monthly. Bob Weinstein offered to speak with Darrin about what he is asking. Bob Also suggests inviting Darrin to the next meeting and BOB will be in attendance.
The Library website should be absolutely separate from the town's website.
The library (the institution) needs to be protected and not interfered with.

****Invite Darrin to attend next month's meeting. This would be an opportune time to clear up the Library issue. Bob will attend that meeting.**

- Sustainable Cape Follow-Up - Tricia Ford had nothing to report.
But added that we need signage and location where the signs will go.
- Any other business that may legally come before the committee for discussion at the next meeting.
- Bob Weinstein requested that the library invite Dennis Lehan as public advocate of Public Libraries.
- Adjourned 4:52pm
- Next Meeting July 19, 2024 at 3:30pm
