APPLICATION GUIDELINES

****Note changes to this year's application****

> Threshold raised for single and married income

This fund was established to provide taxation assistance for the elderly and disabled residents of Truro from volunteer contributions of its citizens on their real estate tax forms. The fund was authorized by vote of Annual Town Meeting, April 13, 1999, Article 13 (acceptance of Massachusetts General Law Chapter 60, Section 3D). The eligibility criteria for assistance from this fund is as follows:

- Applicant must own and occupy the real estate in Truro as their primary and sole residence. An applicant must be the titled owner of the property or hold a life estate in the property. If title is held by a trust, the applicant must be both a trustee and at least a 50% beneficiary of the trust in order to qualify. Applicant must also have resided in the Town and held title to the taxed property a full calendar year prior to submission deadline.
- > Applicant must be elderly or disabled.
 - "Elderly" is defined as a person who is at least 65 years of age on or before July 1, 2024.
 - "Disabled" is defined as a person who is not able to work due to illness or accident and is currently receiving benefits from one or more of the following programs based on a determination of disability: Social Security Administration, SSI or Medicaid, Veterans Administration, Workers Compensation, or any other such program or agency providing public/financial assistance due to the disability. Those in need of assistance due to a disability that does not qualify for public assistance may also be considered.
- Total yearly household income, including Social Security, must be less than \$50,400 if single, or less than \$63,0000 if married. If the real estate is owned by more than one person, total household income will be considered. Income information must be furnished with application.

Applications are attached to this packet. If the Residential Exemption was denied, include the Letter of Denial from the Assessor's office.
- In addition, if qualified, you MUST first avail yourself of the exemptions offered by the Board of Assessors. These include exemptions for Veterans, Elderly, Blind, and others (a summary is attached to this application; for complete list and detailed information contact the Board of Assessors). Total exemptions combined with the taxation aid assistance cannot exceed the total of your current tax bill.
- All information supplied to the Committee will be held in the strictest of confidence and not be open for public inspection. Application review may be in coordination with the Assessor's Office.
- In reviewing eligible applications, consideration will also be given to an applicant's overall financial situation as determined by the value of other assets, personal property owned, living expenses and unusual financial hardship.

DISTRIBUTION OF FUNDS

The funds will be disbursed on a needs basis, as determined by the Committee's application of the eligibility guidelines. Since the fund is replenished annually through voluntary contributions, no set dollar amount can be established for any particular year. If taxation aid assistance is awarded, it will be applied to the Fiscal Year 2025 tax bill and the applicant will be notified by mail.
